ELYSIUM

New extensions to Elysium. The love of precious stones is deeply ingrained in the human heart, an ancient beauty that remains untouched and constant. Exquisitely and painstakingly handcrafted from a halo of natural rock crystal, the Elysium pendant transports you to another realm, a gateway to a place of perfection afforded to heroes of a mythological world. Sourced raw from the earth, the icy shards of rock crystal are selected and lightly polished by hand, and fixed one by one to the iron frame.
