INCEPTION

Inspired by infinity mirrors from the 1970s, the Inception pendant lights up to reveal an endless sea of lights. When turned off, the pendant has an elegant look in Flat Brass with mirrored sides and brass accent. Once switched on, a dramatic sequence of reflections is revealed, as though a thousand bulbs are lit up - a pathway of infinite lights. Incandescent antique bulbs create a lighting effect that's soft and mellow, perfect for adding theatre to evening entertaining. A new extension to the existing Inception coffee table and mirror range.
