

HOME ACCESSORIES / NEW IN CLASSIC COLLECTION / LIGHTING

## INCEPTION ROCK CRYSTAL

The Inception Rock Crystal collection transports you to an out-of-this-world realm with its endless sea of glowing rock crystals, taking its cue from 1970s infinity mirrors. Sourced raw from the earth, the hand-applied shards of ancient rock crystal disperse the light in every direction as it shines through the translucent stone, for a soft and romantic glow that sets the perfect tone for entertaining.
