MENTOR

T-MEA-SA-0001-K

Taking its classic wingback shape from chairs found in old English universities, the Mentor chair features sumptuous woven leather on the interior back and seat, providing a gratifyingly rich and textural surface. The rest of the chair is upholstered in a contrast of sleek, smooth leather, juxtaposed with rustic Weathered Oak legs.

Available exclusively in Destroyed Raw, and in Destroyed Black where the raw edges of the hide subtly contrast with the dark exterior.
