## REGIMENT

T-REM-OB-0008-Z

Timothy Oulton's Regiment collection draws inspiration from Tim's childhood days when his father was a major in the British army. Collecting military drums as a child, Tim was intrigued by their detailing, construction, and classic regimental colours. Reinterpreting the drum into functional furniture, this military-inspired piece is produced with traditional techniques and authentic materials such as vellum, hand-painted solid wood and leather. Available in 2 sizes with or without the stands.
