CUMBERLAND

T-CUM-OG-0001-C

Echoes of empire are brought to life in this grand collection, inspired by an antique trunk that Tim bought at auction in London, once belonging to Prince William Augustus; the Duke of Cumberland and youngest son of King George II of Great Britain. The prince is best remembered for putting down the Jacobean rebellion in 1746, aided by the Manchester Regiment. Timothy Oulton's Cumberland collection is crafted with the same exquisite attention to detail as the original trunk, from the dense lamp-black patina of the leather to authentic vintage brass hardware and red velvet lining.
