MOO

T-MOB-TC-0002-Z

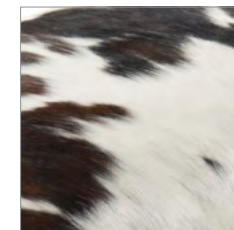

With natural abstract graphics, these cowhide and leather cushions offer a playful accent that looks just as at home in an elegant space or a casual. The leather's original look is preserved, keeping the drawing path characteristic of each individual hair. No two cushions are the same. Black and White Moo is paired with a black perforated leather back while Brown and White Moo is matched with perforated brown leather.

Each piece made with Moo leather may vary in pattern and intensity, as genuine cowhide is used.
