HUDSON

T-HUD-OD-0001-Z

Inspired by the clandestine speakeasies of 1920s America, Timothy Oulton's Hudson collection is designed to house everything you need for a great night in with friends. Understated design adds to its stealth, but its rich textured surface, cloaked in a dark patchwork of Fury leather panels, hints at something special within.

Once opened, the sideboard reveals a sunken removable ice bucket in the top lift-up section and a myriad of compartments to keep you fully stocked for any occasion. The cupboard is perfect to house a small drinks fridge (not included), while three pull out wire racks securely hold your glassware, with further hanging wine glass storage in the top.
